1. This is to acknowledge receipt of the miscellaneous reports and publications which you have been pouching to this station twice weekly. Members of the various EDUCATOR teams have a definite interest in most of this material and it is expected that it will become more useful as operations progress. Certain reports, however, are not sufficiently current by the time they reach our desk to warrant the time and expense involved in your pouching them to us.

2. For your information, the following is a breakdown of the material we wish you to continue to send us and the material which we feel, for the time being, should be discontinued:

a. Continue to send all clippings, reports and publications regarding Russia and satellite countries; the Hungarian daily, Amerikai Magyar Nepszava; and such Communist publications as the Daily Worker, Plain Talk and the Hungarian daily, Magyar Jovo.

b. Discontinue sending FBIB reports and all other monitoring reports. Discontinue the Szabadsag as L receives personal copies of this publication.

3. We will inform you regarding our needs in the future.
